***Please remember to reference your company’s receipt and understanding of this amendment in the cover letter of your company’s proposal. ***

RFP2005RACS – Bunker Hill Superfund “Box” Remedial Action Construction Services – amended as follows.

- To incorporate the responses to timely received questions, please note:

	RFP Section	RFP Page	Question	Response
1			What is the anticipated annual revenue range for this project (all contractors included)?	The total value is not known at this time. The contract(s) resulting from this RFP will be IDIQ and the total value of work is dependent upon multiple factors, including identification of contaminated sites, approval to conduct remedial actions, and consent from property owners.
2			What is the anticipated number of awardees for this project?	This is to be determined depending on scoring of the proposals.
3			Is the Health and Safety Plan required for the Proposal or the Award?	The Health and Safety Plan is not required for the proposal or award, it would be required on the Task Order.
4			What is the selection criterion between the multiple awards?	Price, but certain task order prices are negotiable.
5			Are there truly 10 yard remediation refusals?	There are less than 10 within the Box; this RFP is only for the Box.
6			How many recreational sites are there under this RFP?	5 within the Box known at this time. Additional sites may be identified in the future that could be considered for work under the ensuing contract(s).
